Understanding Connecticut's Freedom of Information Act Fifth Edition

Ideal for school districts, municipalities, state agencies and other public agencies!

By Mark Sommaruga, Esq., Pullman & Comley, LLC

The Connecticut Freedom of Information Act ("FOIA"), often called the "Sunshine Law," is a series of laws that guarantee the public access to meetings and records of governmental entities in Connecticut. The FOIA also sets forth numerous exceptions to its open meetings and records requirements. Over the years, however, both the FOIA and its exceptions have often been misconstrued.

This book should serve to provide guidance to public agencies and their members (not to mention members of the public) seeking to navigate the maze of edicts and exceptions associated with the FOIA.

The new Fifth Edition has been updated to now include:

- The latest statutory changes and important decisions concerning the FOIA
- The latest developments concerning:
 - ✓ law enforcement records
 - ✓ school videos
 - ✓ personnel records
- Additional details regarding FOIA compliance
